13th February 2026

Dear Parents and Carers,

Well, what a busy half term we have had...

Here are just a few of the wonderful things we have been doing in school since January.

Our global adventure day was a resounding success! The children showed wonderful curiosity about the world around them. We are also incredibly proud to announce that we raised over £600 to fund resources for our upcoming Cookery Club. A big thank you to Miss Munger for organising this. We had such positive feedback which we really appreciate. I wanted to personally thank some of our community heroes who made this possible:

- ☐ Claire Twyman (Mortgage Broker): For her incredibly generous donation towards our equipment.
- ☐ Paul Cook (Cooky Cooks): For his large donation and his exciting offer to come in and make healthy pizzas with one of our classes!
- ☐ Reception Parent: A special thanks to our anonymous Reception parent for their very kind and significant donation.

It has been a busy few weeks with so many achievements to celebrate. We celebrated NSPCC number day which was a day the school was buzzing with digits. Thank you for helping the children dress up and engage with math while supporting such a vital cause.

It was also wonderful to see so many parents at our Writing Parent Share and joining in with the talk for writing session. We hope you enjoyed seeing how we use oral storytelling to build confident writers. It was challenging to pick a winning class, but after much deliberation, Foxes class was chosen as the winning class due to the powerful choice of adjectives used to innovate the story!

We also celebrated internet safety day. The children learned how to stay safe and be kind online, enjoyed making their own avatars and listened to stories about internet safety read by our Computing Champions.

Thank you to everyone who attended Parents' Evening. It was a pleasure to share your children's progress and celebrate their hard work. Your feedback is vital to us. Please take a moment to share your views on our school by following the link below to the Ofsted Parent View website. Please inform school when you have completed the Ofsted link as one lucky winner will receive a £30 amazon voucher.

Busy 'bee'ing our best

The safety of our children is our highest priority so we have decided to include a monthly safeguarding update in our newsletter. As a reminder, if you ever have any concerns, our Designated Safeguarding Leads (DSLs) are here to help:

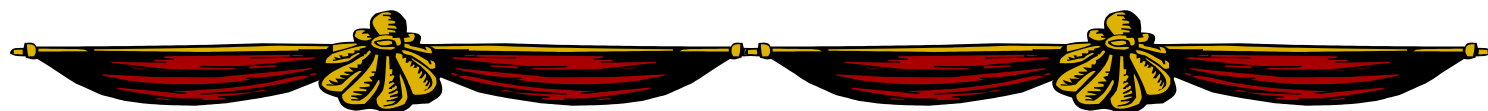

- DSL: Mrs. Gray
- Deputy DSLs: Mrs Dainty, Mrs Lambert, and Mrs Priscott

Mark your calendars for these exciting events coming up after the break:

- Thursday 5th March: World Book Day (Pyjamas or favourite book character – more details to follow)
- Friday 6th March onwards: Science Week - this will include hosting a visit from Zoolab, where children will get up close with some fascinating creatures!
- SEND Coffee morning - We would love to invite you to our next SEND Coffee Morning on Tuesday 17th March, 9am-10.30am. Whether your child has identified additional needs or you simply want to learn more about how we support our learners, or simply want to chat, please come along! This is a fantastic opportunity to chat with like-minded families in a relaxed, friendly setting. Mrs Dainty, or SENDCo and Inclusion Lead, and Miss Gavan, Pastoral Support, will be able to discuss recent updates and reforms in the world of SEND, and we'd value your input as we collaborate on reviewing our SEND Policy and Information Report. Your voice is vital in shaping our support, and we look forward to seeing you there for a coffee, biscuits and a catch-up!

Finally, we want to wish all of our families a restful, safe, and wonderful half-term break. We look forward to seeing everyone back at school, refreshed and ready for more adventures!

Hannah Gray

DIARY DATES
